About the speaker

Dr Manikya Arabolu

BDS, MDS prosthodontics

Dr Manikya Arabolu is the Clinical Specialist for 3M Oral Care in South India. She is an MDS in Prosthodontics and has been in clinical practice since 2011. She completed her BDS in 2006 from Rajiv Gandhi University of Health Sciences, Bangalore and went on to complete her MDS from the same university.

She has developed her expertise in treatment planning and restorative dentistry through working with senior practitioners and top notch dental chains across Delhi, Mumbai and Indore as a Consultant Prosthodontist as well as a General Dentist.

She has helped to build up new practices from the ground up with her vast experience. She has authored and co-authored several scientific papers on various topics.

She has conducted more than 600 workshops on CDE across South India. She is an avid traveler and loves to try out exotic cuisines in her spare time .
