## STRATEGIC PLAN

### INTRODUCTION

Subbaiah Institute of Dental Sciences is the 1<sup>st</sup> ESI private dental college of Karnataka to go cashless. The institution is envisioned to provide most affordable, modern preventive and clinical care to a population which by nature is rural and poor. The access to dental implants, orthognathic surgery and cosmetic dentistry should no more be accessible only to the urban elite but to the underprivileged, poor and rural segments of the neighbourhood.

### VISION:

To foster and evolve future dentists with clinical skills, critical reasoning, strong foundation of research and understanding of global and national inclusive healthcare needs.

### MISSION:

- To create the state of art infrastructure.
- To make use of ICT to the maximum extent in teaching, learning, evaluation and administration.
- To imbibe the apt and best social skills in students to enable them to be a best practitioner.
- To motivate the teachers to continuously engage in research and publications.
- To achieve maximum results from classroom and community outreach programs.
- To have a committed faculty with a focus on research, development, innovative and an immersive alumni and student support program.
